

Council Reference: 71736E (D23/323150)

11/08/2023

Dear Resident

**Temporary road closures for Last landslip repair
1.2kms before Flat Rock crossing,
Upper Kangaroo River Rd**

Repair work on the last landslip (DM00828) along Upper Kangaroo River Rd by Symal has commenced. The location of the landslip is 12.9kms from Moss Vale Rd, 1.7kms from Scott Rd and 1.2kms prior to Flat Rock Crossing.

A full road closure needs to be implemented prior to the landslip to undertake piling work. The full road closure will be in place for 2 weeks:

- From **Tuesday 15 August until Tuesday 29 August 2023.**
- Weekdays only (i.e. excluding weekends) from **7:30am until 4:30pm**

Mid-day opening will not be provided.

No vehicle or pedestrian access will be available during road closure times unless in case of life-threatening situations.

Council appreciates your patience and understanding throughout the construction period noting the road closures will be inconvenient for many.

Keeping up to date

To allow residents to keep up to date on the work, a project page / website was created by Council.
