Dear Resident

**Temporary full road closure
Bamarang Road, landslip repairs**

Landslip repair work along Bamarang Road is about to commence.

The Remediation Contractor, Symal, has confirmed that the first work activities will be undertaken during the day from **Monday 4 September**, excluding weekends and weather permitting.

The road will be closed at the landslip sites from **Monday 4 September to Friday 15 September from 7.30am to 4.30pm**.

Due to site constraints and for safety reasons, **vehicle and pedestrian access during these works will not be possible. However, alternate access is still available from either end of Bamarang Road.**

In case of a life-threatening emergency situation, immediate access will be provided to emergency vehicles.

Council appreciates your patience and understanding throughout the construction period noting the road closures will be inconvenient for many.

Keeping up to date

To allow residents to keep up to date on the work, a project page / website was created by Council.
