DA20/1970	2	1077521		1178	Comerong Island Road	Numbaa	2540	11: Industrial	SLEP 2014	RU1	CI 4.3	The proposed height of the building is required given the size of the vessels to be built and repaired within the building and specific circumstances of boat fit-out activities. The increase in building height is necessary to accommodate a gantry crane which assists in the general construction operation for a new boat build and lowers the operational risks associated with workplace health and safety.	4m (36.36%)	Council	11/05/2021
