Dear Resident

**Temporary Full Road Closure
Wattamolla Rd, landslip repairs**

Landslip repair work along Wattamolla Rd is about to commence.

Contractor Symal has confirmed that piling work will require a full road closure of Wattamolla Rd from **Monday 17th July until 29th September, excluding weekends.**

The location of the road closure will be at the first land slip site (DM00513) west of Wattamolla Rd.

Hours of full road closure will be from **7:30am to 4:30pm**

Due to site constraints and for safety reasons, **vehicle and pedestrian access during this time will not be possible.**

However, in case of a life-threatening emergency situation, immediate access will be provided to emergency vehicles.

Council appreciates your patience and understanding throughout the construction period noting the road closures will be inconvenient for many.

Keeping up to date

To allow residents to keep up to date on the work, a project page / website was created by Council.
