

Council Reference: 71736E

13/07/2023

Dear Resident

**Temporary full road closure
Wattamolla Rd, landslip repairs**

Contractor Symal has postponed the **full road closure** of Wattamolla Rd. The revised dates are from **Monday 24 July until 29 September, excluding weekends**.

The location of the road closure will be at the first land slip site (DM00513) along Wattamolla Rd. i.e immediately west of Woodhill Mountain Rd.

Hours of full road closure will be from **7:30am to 4:30pm**

Provision will be made for public pedestrian access for the duration of the work. Work on the temporary path will begin next week and be completed by the end of next week.

Members of the public will be able to utilise a temporary gravel pedestrian path from Monday 24 July, through two private properties, No 19 Wattamolla Rd and no 669 Woodhill Mountain Rd. Signs will direct pedestrians.

Riding of motorbikes, quad bikes and bicycles along the temporary gravel path is strictly prohibited.

In case of a life-threatening emergency situation, the road will be opened to provide immediate access to emergency vehicles.

Council appreciates your patience and understanding throughout the construction period noting the road closures will be inconvenient for many.

Keeping up to date

To allow residents to keep up to date on the work, a project page / website was created by Council.
