Dear Resident

**Planned Road Closure Details,
Wattamolla Rd & Woodhill Mt Rd for landslip repairs
Update 7th September 2023**

Further to previous correspondence, revised dates for landslip repair work along Wattamolla Rd and Woodhill Mt Rd have been issued by contractor Symal.

Work along **Woodhill Mountain Rd** at rural address 570 commenced on **Monday 4th September 2023** and be carried out during the day under single lane contraflow arrangements from Mondays to Friday 7:30am to 4:30pm. This will followed up with night work commencing 24th September 2023. Full night-time road closure to all road users will be in place on Sunday nights to Thursday nights, from 7pm to 6am from 24th September 2023 to 2nd November 2023 and again from 20th November 2023 until 16th February 2024. Planned completion for all woks along Woodhill Mountain Rd is mid-February 2024.

Work on **Wattamolla Rd** at rural address 356 will now be commencing **18th September 2023** and be carried out during the day. A full road closure until 22nd September 2023 will be in place Mondays to Fridays 7:30am to 4:30pm. Work on the other two landslip sites at rural address 356 and 681 will be carried out during the day under single lane contra flow arrangements, also on Mondays to Fridays from 7:30am until 4:30pm. Expected completion date of all work along Wattamolla Rd is late November 2023.

Further details of the dates, times and traffic management arrangements at each site is provided on page 3 of this letter. A plan showing the location of each of the five (5) landslips is shown on page 4.

Please be assured that regardless of what works are being undertaken day or night along Wattamolla Rd and Woodhill Mountain Rd that:

- A minimum single lane access will be available 24/7 along Wattamolla Rd or Woodhill Mt Rd.

- In case of a life-threatening emergency, immediate access will be provided to emergency vehicles.

Council appreciates your patience and understanding throughout the construction period.
Keeping up to date

To allow residents to keep up to date on the work, a project page / website was created by Council.
