Dear Ms [REDACTED]

I write with respect to the Preliminary Review being undertaken with respect to Shoalhaven City Council's Resource Recovery (Bioelektra) Project.

Council has received the attached correspondence from a community member Mr [REDACTED].

Mr [REDACTED] has raised a number of concerns with respect to the Council's Management of its proposed Resource Recovery Centre Project at West Nowra, and in particular the actions of Council when determining to enter into a contract for the project with Bioelektra Australia.

Council's CEO, Mr [REDACTED] has suggested that I forward this correspondence to you for your information.

Mr [REDACTED] has been advised that the Office of Local Government is currently making enquiries with respect to the project and that Council is of the view that until such time that the findings of the Office's review are outlined to Council and other enquiries have been concluded that it would be presumptive to provide detailed answers to the questions which he has raised.

Please contact the undersigned if you have any queries or advice to the Council with respect to the attached.

Thankyou and Regards

[REDACTED]
