The Fairies Favourites 2010 tour

The Fairies have been loved by Australian children for over a decade, and in that time have amassed a fan-fairy-tastic range of songs.

Harmony, Rhapsody, Barnaby, Elf and Minuet bring those songs to life, with the princess perfect name "**The Fairies Favourites**" 2010 tour.

Jump Jump Star, Surfing Fairy Beach, Dance the Sleep Away as well as Fairy Dancing Girl and the Silly Song, will ensure this is an hour of non-stop singing and dancing for fairy fans.

Purple fairy, Harmony, commented "touring with our fairyland friends is so exciting and travelling to so many towns to see our country fans is fairy magical!"

Pink fairy Rhapsody had just this to say "singing and dancing on stage is my most favourite thing ever!"

Perennial superstar Elf the Fairy Cake Maker rejoins The Fairies Touring Cast this year, while Barnaby the BizzyBuzzy Bee gets up to his usual madness, buzzing around with his friends and being as silly as can be.

With Fairy Princess Minuet teaching some of the finer points of Fairy Ballet and Fairy Dancing Girl, we know that **The Fairies Favourites** is going to enthrall and delight every single child.

Please encourage your fairy fan to dress in their favourite costume, bring their dancing shoes and have their best singing voices.

Love and fairy hugs from The Fairies. Xxx
