PRESENTATIONS

5. Nowra Youth Centre – Janet Atkins

This presentation will be deferred to the next meeting of the Youth Advisory Committee.

6. Community Gateway – Rhonda Parker

Community Gateway has been operating for 30 years traditionally with the elderly and people with disabilities and Case Managers were assigned to source and manage various services. Positions at Community Gateway include, Direct Care Services and Community Engagement and Project Development Staff.

The Hub in Nowra is on the corner of Berry Street and Plunkett Street. The official launch day will be Friday 20 November 2015. The Hub will eventually be open weekends and nights this will further assist in making connections with the youth. Community Gateway welcomes your feedback and Rhonda would love for the youth to be involved. There is hope to run activities in the school holidays for e.g. mural groups, the organisation will let schools know prior to school holidays so that the students are aware. Community members have painted tiles which will be used to decorate the exterior walls. The internal brick walls are being used for artists to spray paint.

The service has changed and the organisation is responding to that change. The aim is now inclusion; therefore integrating people with disabilities with those with no impairments as well as the young and old.

Resources include an activities room, training / conference room, a small gym which can be used for fitness or rehabilitation (compulsory training sessions with the instructors prior to using unassisted). The café will also hopefully be up and running by the official launch day. Office spaces are available to be utilised for businesses that are just starting out and a lower rent can be arranged to support. All rooms are available for hire.

Advertisements have been by free television, free radio, email, letterbox drop.

It was suggested by the Committee when the Community Gateway are seeking ideas to email the Youth Advisory Committee members or invite some representatives to come along to the next Community Gateway's Committee meeting.

The Community Gateway also organises a dance during the day at Bomaderry Bowling Club to involve those who cannot get out at night but still enjoys live music and dancing.

For all upcoming events by the Community Gateway see the attached flyer or visit their website <http://www.communitygateway.net.au/>.

7. Additional Item – Zone SRC

Mikayla Barnes has organised a Zone SRC. The idea came from the Regional SRC (which included towns like Wagga Wagga). It will include representative members throughout the Shoalhaven. Mikayla will be arranging with the help of John Lamont (Nowra Chemicals) speakers and activities. The first meeting is due to be held 25 November 2015. It will take place at the Shoal Hub (Shoalhaven Arts Centre). Mikayla hopes to include year 7, 8 and 9 students so that they are able to learn prior to the seniors leaving the schools. This is in the very beginning stages and once the team is established they will be able to assist each other and work out their focus.

8. Additional Item – Minutes Silence – 11am Remembrance Day

The Youth Advisory Committee participated in a minute of silence for Remembrance Day.

9. Safe Schools – Mary Flaskas

Safe Schools is dedicated to supporting gender diversity, intersex and sexual diversity in Australian Schools. They are the first national coalition of schools bringing together school staff, students and families to create safer more inclusive learning environments for same sex attracted, intersex and gender diverse young people.

Most work is done with the teachers at the schools and they are trained in how to make the environment supportive and to appropriately handle bullying (the idea is to be consistent). The coalition is funded for three years and therefore has one and a half years still remaining (as they are unsure whether they will be granted further funding).

Safe Schools are trying to create a more supportive environment by working with the schools to create gender neutral uniforms, to develop new policies around them and getting those recognised by the P & Cs. Most bullying is experienced within schools.

Safe Schools are working with Headspace and Lili on an awareness day 17 February 2016 at the Shoalhaven Arts Centre. Schools and Community Groups will be invited and any ideas from Youth Week can be showcased.

Gay-Straight Alliances are effective once established as well as LGBTI Support Groups to raise awareness and support. Wear It Purple Day, general exposure to change perspective and changing the gender normality along with the public declaration from the school can be a huge confidence boost and gives the ability to the individuals to express their true selves.

Safe Schools are working with primary schools and children as young as four.

It was expressed that Nowra High School was extremely accepting of their students and the students were very accepting of each other.

Mary Flaskas tabled brochures and information in relation to this free service. They can be found online:

10. Additional Item – Youth Centre

Mikayla, Bradley and Tane along with Janet Atkins (Nowra Youth Centre) have organised a fundraiser day for YOTS (Youth off the Streets) on Friday 12 February 2016. There will be a local band, sausage sizzle and activities. The Committee will be kept updated on this day.

12. Additional Item – Upcoming Events and Budget

The Hunger Banquet by Oxfam is a memorable, interactive event that brings hunger and poverty issues to life. Lili suggested that a soup kitchen be held afterwards to then supply for those we are trying to help.

There will be a talk night which will involve the students and wider community to raise awareness for homelessness.

Note: Jaiya Aryal left the meeting – 11.31am

Sometimes when Lili sends information on upcoming events for the youth to the schools it will miss out on appearing in the newsletters. The SRC Zone will help with getting information out to peers once off the ground level. The Committee also suggested Lili attending assemblies.

Sam Kettlewell

Sam introduced herself and spoke about upcoming changes for the PCYC. Sam is the manager of the PCYC.

This is the 30th year for the PCYC in the Shoalhaven. The Centre is open again and community consultation is underway to ascertain what the youth want and need from the PCYC. Many fund raising events are planned, for example at the Nowra Show and the Twilight Markets.

Sam has been speaking to youth at local school assemblies. The PCYC is looking for general and executive members. There will be a new strategic plan and the PCYC's aim

is to become a youth and community hub. From 11am to 1pm every Wednesday they hold a free community lunch.

There will be a core group of young people to design the space that will be used as a youth drop in space.. Ann Sudmalis MP is on board regarding funding. Funding is needed, for example, for a commercial kitchen. PCYC is looking to open a community café, where youth will be able to undertake training in hospitality.

The PCYC runs a boxing program (junior and senior), and are looking for a venue to accommodate gymnastics as the PCYC venue is currently unsuitable for use for this type of program. Other programs planned for delivery include, a building resilience program and an outreach youth centre. The PCYC will work collaboratively with other services.

Donna Corbyn noted that there has previously been consultation in the Bay and Basin area and advised Sam to contact Veronica from the Sanctuary Point Community Pride to find out more.

RECOMMENDED that Youth Advisory Committee set a date and agenda for a 2016-2017 Planning Day.

OPTIONS

1. Recommended as above with a date and agenda.
2. Youth Advisory Committee make an alternative recommendation.

DETAILS

Historically the Youth Advisory Committee has a planning day to allocate their financial budget for the year. Requests are sent to the Youth Advisory Committee via a written application process, administered and reported by the Youth Development Officer, from youth provider service organisations in the Shoalhaven LGA and via the Youth Interagency Network; requesting small amounts of funding to run youth projects and activities across the city.

At the planning day, facilitated by the Youth Development Officer, the Youth Advisory Committee prioritise and agree on what activities will be funded by the Youth Advisory Committee for the financial year from the written applications. All applications must meet objectives of Shoalhaven City Council's Community Strategic Plan.

The Youth Advisory Committee also takes into consideration other projects that have historically received financial support from the Youth Advisory Committee. All organisations that receive funding from the Youth Advisory Committee must be located in the Shoalhaven LGA, be a not for profit organisation and have had a Working with Children's Checks completed by workers to run projects.

Below is an agenda for a usual Youth Advisory Committee Planning Day.

10.00am - 10.30am	-	Morning Tea & Meet & Greet
10.30am - 12.00pm	-	Training and or Guest Speaker (TBA)
12.00pm - 12.30pm	-	Lunch Provided
12.30pm - 2.30pm	-	Review YAC Aims and Objectives Future Direction Community Strategic Plan Funding Allocations Planning - Discussion and Brainstorming
2.30pm - 3.00pm	-	Debrief - Question & Answer time

FINANCIAL IMPLICATIONS:

There are sufficient funds in the Youth Advisory Committee budget to cover the costs associated with a planning day.

COMMUNITY ENGAGEMENT:

A Youth Advisory Committee Planning Day is a youth community engagement and consultative process via a focus group which is in accordance with Council's Community Engagement Policy.

2. Youth Advisory Committee Unspent Funds 2015 - 2016 Financial Year File 1506E

SECTION MANAGER: Jane Lewis.

PURPOSE: To allocate any unspent Youth Advisory Committee 2015 – 2016 financial year funds to a worthy youth project that has a high impact locally and offers good value for money.

RECOMMENDED that under delegated authority the Youth Advisory Committee commit any unspent funds in the Youth Advisory Committee budget at the end of the 2015/2016 financial year to be allocated to Regional Development Australia to support the South Coast Youth Leadership Conference, formally Gilmore Youth Leadership Forum.

OPTIONS

1. Recommend as above.
2. Youth Advisory Committee make an alternative recommendation.

DETAILS

The South Coast Youth Leadership Conference is conducted annually over three days in October. Last year's event brought students who were school leaders or wanted to be leaders together with mentors to explore positive change in the Shoalhaven. There was a mix of international facilitators, as well as local speakers. The forum is targeted towards 15-17 year olds, both indigenous and non-indigenous.

At last year's conference all high schools throughout the region were represented and 58 of the original accepted 62 students attended the three day forum. There were no students from TAFE or the Wollongong University this year. Shoalhaven High School sent the most diverse range of students and has seen excellent feedback from this group of students who generally sit outside the leadership group of the school.

There have been strong outcomes from last year's event, social media contact within the group has been high and follow up meetings to implement projects have been held.

To date five students have applied for grant funds to either do projects and or become global youth ambassadors with the international facilitators. The youth ambassador program involved raising funds and then doing volunteer work in an underprivileged community in either Thailand, Vietnam or Uganda with more locations planned in future years.

This program has now gone international in a smaller format in Wellington, Auckland, Sydney, Melbourne and Brisbane. London and New York are planned for next year. However, the Shoalhaven Program has the strongest outcomes, being a 3 day residential forum, providing young leaders with strong community networks and connections.

FINANCIAL IMPLICATIONS:

Unspent funds allocated to Regional Development Australia to be used for the South Coast Youth Leadership Conference.

COMMUNITY ENGAGEMENT:

This project is a proven positive youth engagement program that builds great self & civic pride in the young people of the Shoalhaven.
