Dear Stephen

Planning proposal [PP_2020_SHOAL_002_00] to amend Shoalhaven Local Environmental Plan 2014

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received in respect of the planning proposal to amend the Shoalhaven LEP 2014 to allow camping ground at Danjera Dam Camping and Recreation Area, Yalwal.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistency with section 9.1 Direction 2.1 Environmental Protection Zones is justified in accordance with the terms of the Direction. No further approval is required in relation to this Direction.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant section 9.1 Direction 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to the plan being made.

It is noted that Council has requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority

The amending local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Ms Lisa Kennedy to assist you. Ms Kennedy can be contacted on 4247 1827.

Yours sincerely

1 April 2020

Gateway Determination

Planning proposal (Department Ref: PP_2020_SHOAL_002_00): to amend the Shoalhaven LEP 2014 to allow camping ground at Danjera Dam Camping and Recreation Area, Yalwal.

I, the Director, Southern Region at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Shoalhaven Local Environmental Plan (LEP) 2014 to include camping ground as an additional permitted use on Council land at Danjera Dam Camping and Recreation Area, Yalwal proceed subject to the following conditions:

1. The planning proposal is to be revised to include an amended Clauses Map, prior to public exhibition.
2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018) and must be made publicly available for a minimum of **14 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018).
3. Consultation is required with the following public authorities/organisations under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:
 - NSW Rural Fire Services
 - Department of Planning, Industry and Environment - Crown Lands
 - National Parks and Wildlife Service and
 - Department of Planning, Industry and Environment - Environment, Energy and Science Division

Each public authority/organisation is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.
6. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.

Dated 1st day of April 2020.
