

Application for Membership Coastal Management Program Advisory Committees

Applications are being sought for members of Shoalhaven City Council's Northern, Central, and Southern Coastal Management Program Advisory Committees.

The purpose of the Committees is to:

1. To assist the Council in the development and implementation of the coastal management programs for the areas listed under 'Purpose' (see above);
2. To assist the Council monitoring and assessing the effectiveness of the management program during and after its implementation;
3. To assist the Council providing input into known coastal event(s) and erosion behaviour as part of the Coastal Management Program;
4. Provide and review scientific advice and integrate this knowledge into the preparation and review of the Coastal Management Program; and
5. Facilitate broader community consultation and participation in coast and estuary management through informing and liaising with member community groups.

The Committees will meet as required, normally during business hours, at the Nowra Administration Building or via online.

Applications Close – Friday 21 August 2020
