## How can I apply for a grant?

We're making the process as simple as possible, with a few basic checks which we have to make. Visit [redcross.org.au/grants](https://redcross.org.au/grants) to apply. You will need to provide evidence of your identity (such as a driver licence), proof of residence (like a utility bill), evidence of hospital admission and discharge (for the Injury Grant) and details for a financial transfer (a recent bank statement showing BSB and account details).

We know that some people have lost documents in the fires. Use what you do have to complete your application. We'll follow up with you to verify details. Our teams know and understand that it's not always easy to provide all of your documents. They will help you to work through the process.

You can also call **1800 733 276** during business hours for help.

## How long will it take to receive my grant?

Once your information is verified and the application approved, the grant will be paid within days, wherever possible.

## Who's eligible for the re-establishment grant?

People whose primary place of residence was destroyed or rendered permanently uninhabitable by a bushfire from July 2019. Your 'primary place of residence' could be a house, a non-permanent structure such as a mobile home or a caravan, you could have owned it or rented it, as long as it was where you lived. You also need to be seeking to re-establish housing or living arrangements, have faced financial hardship as a result of the bushfires and continue to face financial hardship during the COVID-19 pandemic.

## My home has a damaged water tank or generator. Can you help?

Yes, you can apply for the Primary Residence Repair Grant. It has been extended to include loss, damage or destruction of critical private water infrastructure (like water tanks and pumps), power infrastructure (like generators and fuse boxes) and septic systems. If you have applied before the eligibility conditions were extended, please let us know at [grants@redcross.org.au](mailto:grants@redcross.org.au) or call 1800 733 726.

## I've lost a holiday house/investment property in the bushfires. Can I get a grant?

The grants are for people whose primary place of residence has been destroyed or rendered permanently uninhabitable (whether owned or rented) or structurally damaged (if owned). This is because we are trying to respond to the most urgent cases first. Other assistance may be available from government: visit [www.bushfirerecovery.gov.au](http://www.bushfirerecovery.gov.au) to see what is available in your state.
