

Blue BioTech Shoalhaven is an industry group that has been established to promote innovation and the capability of our member businesses in aquatic biotechnology - from growth through to processing. Flavorjen is part of Blue BioTech Shoalhaven because they know that aquatic biotechnology will help them increase the range of natural, healthy and clean products that they can offer to their customers.

Flavorjen

Flavorjen, using natural ingredients for great flavour

ABOUT FLAVORJEN

Flavorjen offers a unique range of natural flavours, applications technology, specialised ingredients, natural fruit powders and portions and natural preservatives. Flavorjen is a recognised supplier of natural flavours and specialised ingredients to the food and beverage manufacturing sector providing innovation in dairy technology through the incorporation of specialized characterising ingredients, natural dairy flavours and proprietary blends.

WHAT WE OFFER

Flavorjen's product range consists of a range of flavour solutions for the food manufacturing industry. Flavorjen recognizes that in today's food and beverage market the demand for natural products, clean label ingredients and natural processes is increasing. Flavorjen meets this market demand by supplying quality innovative products, such as natural flavorings and preservatives, to the food manufacturing sector. Flavorjen have recently established an additional facility at Bomaderry, in the Shoalhaven. This company is growing and this is a testament to their ability to supply quality innovative products to an expanding market.

Creating, Innovating,
Perfecting - the
Ultimate Flavour
Solutions

Flavorjen

Flavorjen, using natural ingredients for great flavour

COMPANY HISTORY

Flavorjen commenced trading in Auckland, New Zealand in January 2004 and established a subsidiary in Melbourne, Australia in 2005. Flavorjen has grown consistently over time and has representation in Singapore, Thailand, Malaysia, Indonesia and Vietnam. Flavorjen have recently opened a third site at Bomaderry in the Shoalhaven and are one of the founding members of Blue BioTech Shoalhaven.

OVERVIEW OF SERVICES

Flavorjen are a natural flavour specialist and can:

- Design ingredient and flavour options to meet your process requirements.
- Bring new ideas suited to your business model and product range.
- Develop specialised ingredients.

Flavorjen are committed to innovation and seek out new products to add to our flavour and ingredient product range.

FUTURE PLANS & DEVELOPMENT

Flavorjen's business model has been to develop innovative natural products that meet the growing demands of the marketplace and their customers. Established in 2004, and since winning the Marley New Zealand Manukau Small Business of the Year title, COGITA Excellence in Innovation and Strategy award and the Wiri Licensing Trust Best Emerging Business award in 2008, Flavorjen has continued to grow through the provision of quality products into the marketplace. We help our customers enhance their product line by using natural resources to create innovative, healthy and natural products. If you are in the food manufacturing sector and are looking for a cost effective and natural alternative please contact Flavorjen.
