Council delegates the management of some community facilities to volunteer Management Committees, under Section 355 and 377 of the Local Government Act. These Terms and Conditions apply to all Council and Management Committee community facilities available for hire. Some "Council" actions identified below may be enacted by Management Committees.

<b>Permit</b>
Upon payment of your booking, Council will issue you with a permit for your hire/use of the venue/campsite which is your booking confirmation. This permit must be available for viewing at the venue/campsite during the hire/use period and must be produced on demand. The application form is not a permit or booking confirmation.
<b>Legislation</b>
You must comply with all State and Federal Legislation in your use of this facility. Council may review the Terms and Conditions of a hire/use agreement to meet legislative requirements.
<b>Commercial Hire</b>
Commercial events to a maximum of 52 days (whether or not consecutive) in any 12-month period are 'exempt development' on land owned by Council or for which Council has care, control and management, including Crown Land (Shoalhaven Local Environment Plan 2014). These events may be approved as casual hire or by license agreement. The event must not involve demolition or excavation and must not involve overnight accommodation on bushfire prone land. Events over 52 days in any period of 12 months may be permissible and will require a Development Application to be lodged.
<b>Hire/use Period</b>
Your hire/use period will start and end at the times set out in the permit. You will not have access to the venue/campsite before or after these times, unless expressly authorised by Council. The delivery or removal of equipment, setting up or cleaning of the venue/campsite must be completed during the hire/use period.
<b>Hire/use Fee</b>
You must pay the hire/use fee to Council prior to issue of the Permit. The hire/use fee will be charged in accordance with Council's Fees and Charges.
<b>Bond</b>
Council may require you to pay a bond for use of the venue. Bond and payment will be required prior to issue of the permit. Council will inspect the venue after the function. If the venue has been left in a satisfactory condition, Council will refund the bond to you. If the venue has been left in an untidy condition or the venue has been damaged, Council will contact you and make arrangements for cleaning or repairs to be carried out. Any costs incurred for any additional cleaning or repairs necessary to reinstate the venue to the condition it was before the time of hire/use will be deducted from the bond or additional charges will be incurred by you.

<b>Approvals</b>

Currently approved insurers are listed on the Australian Prudential Regulation Authority's Register of Authorised Insurers.
You agree to at all times indemnify Council from and against all liability whatsoever that is caused by any unlawful or negligent act or omission, or breach of these terms and conditions by the hirer/user, their guests or contractors during the period of the use of the venue/campsite.
