

PUBLIC EXHIBITION
Review of Planning Options for Taylors Lane, Cambewarra
(Badagarang)

The Review of Options for Taylors Lane, Cambewarra (Badagarang), will be on public exhibition from **Wednesday 5 October 2022 to Friday 4 November 2022** (inclusive) on Council's website: <https://www.shoalhaven.nsw.gov.au/Council/Access-to-Information/Documents-on-Exhibition>.

The exhibition package will also be available for viewing electronically at the City Administration Centre, Bridge Road, Nowra and Southern District Office, Deering Street, Ulladulla. Ask at the front counter at each of these offices for assistance.

Council is reviewing options for the future upgrade of Taylors Lane. The review specifically considers how the existing trees that are currently a feature of Taylors Lane could be retained and successfully integrated into future urban development enabled by the existing zones within which it sits. The review considers potential changes to planning controls on the adjoining land that may support the retention of the trees in the long term. It also considers the ongoing appropriateness of the existing urban zones at the eastern end of Taylors Lane.
