**Revised Planning Proposal (PP005) and**  
**Biodiversity Certification Application**  
**Lots 21 to 24 DP 714096, Warrah Road, Bangalee**

Council is seeking feedback on a revised Planning Proposal (PP005) and Biodiversity Certification Application (BCA) for Lots 21-24 DP 714096 Warrah Road, Bangalee. Also included is approximately 300 linear metres (6000m<sup>2</sup>) of Council road.

The PP and BCA will be on formal public exhibition from **Wednesday, 15 June** to **Monday, 18 July 2022** (inclusive).

A previous version of this PP was exhibited in May-June 2021. The PP has been substantially reshaped in response to community and Government agency feedback, and achieves better environmental, bushfire protection and planning outcomes than the previously exhibited version.

**Planning Proposal (PP005)**

This Planning Proposal (PP005) seeks to resolve the long-term development potential of land within the 'Crams Road Urban Investigation Area' identified in the Nowra Bomaderry Structure Plan (2007) which was 'deferred' from Shoalhaven Local Environmental Plan (LEP) 2014.

The 'deferred' land is currently zoned Rural 1(d) (General Rural) under Shoalhaven LEP 1985 and is proposed to be rezoned to a mix of *E2 - Environmental Conservation*, *RU2 - Rural Landscape*, *R5 - Large Lot Residential*, and *R2 - Low Density Residential*. The Council road is zoned *C2 Environmental Protection* under Shoalhaven LEP 2014.

Shoalhaven City Council is the Planning Proposal Authority and is authorised to exercise local plan-making functions in relation to the planning proposal.

**Biodiversity Certification Application**

The Planning Proposal is accompanied by a Biodiversity Certification Application and supporting Biodiversity Conservation Assessment Report (BCAR) lodged by the proponent with the NSW Department of Planning & Environment (Biodiversity & Conservation Division) under the *NSW Biodiversity Conservation Act 2016*. The Application and updated BCAR are being exhibited concurrently with the PP in accordance with Section 8.6(6) of the *Act*.
