

Cleary Bros have been engaged by Shoalhaven City Council to undertake the intersection upgrade including traffic signals of St Vincent & South St Ulladulla, as well as the proposed shared user path and Wombat Crossing along South St.

Cleary Bros will commence works on the 29<sup>th of</sup> January 2024 with works completed mid to late April.

## Intersection of St Vincent & South St

Initial works to be completed during daylight hours (7am-5pm) will be the demolition of islands, adjustment of kerbs and footpaths and the installation of new pavement where required under traffic control.

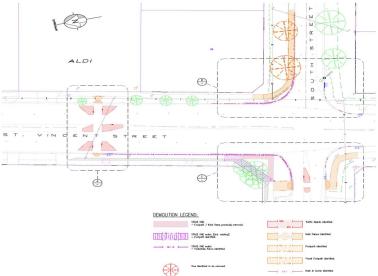

Figure 1 - Demolition Extent Highlighted

Works to be conducted on nightshift (7pm-5am), include the re-sheeting of the intersection and commissioning of traffic signals (highlighted purple).

Cleary Bros (Bombo) Pty Ltd ABN 28 000 157 808

Established since 1916

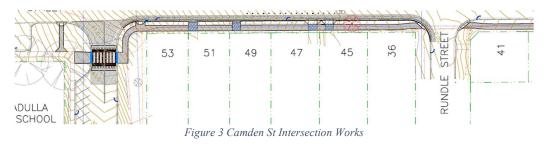

39 Five Islands Road, Port Kembla NSW 2505 PO Box 210, Port Kembla, NSW 2505 (02) 4275 1000 clearybros.com.au

## **Proposed Shared Path and Wombat Crossing**

The shoulder widening and installation of kerb and footpath along South St between Vigilant and Camden St will be undertaken during daylight hours (7am-5pm) and at some stage will include the closure of access from Camden St to South St to allow the construction of the wombat crossing and re-sheeting of pavement.

Cleary Bros will aim to minimise disruption to the public using traffic control to help with both vehicle and pedestrian management. Cleary Bros full time Site Supervisor will be Jade Skaife (0410 661 443), whom will be on site to deal with any immediate issues. For any concerns about the works my details are also below.

Please feel free to contact me should you have any other queries.

Regards,

UN
