Application for Place Naming must include the above supporting documentation and be endorsed by Council prior to being submitted to the GNB

- II. In the event of rejection, the applicant will be notified and provided with reasons for the rejection. In the event of support, action will proceed as follows:
- III. Council will arrange exhibition of the proposal. Exhibition will involve the notification of the proposal, which will include but is not limited to:

- VI. At the close of the exhibition period:
 - Any objections will be reported to Council. The naming proposal will then proceed with the name proposal or reject the proposal and notify the proponent
 - If Council does not receive any objections, then the road naming proposal is deemed to be an acceptable road name to adopt under this policy
- VII. Should Council decide to proceed with the proposed road name it can then adopt the name, Council must:
 - Publish notice of the new name in:
 - The Government Gazette

-
- A Local Newspaper – giving (in the case of a road that is being named for the first time) a brief description of the location of the road.

VIII. Once the new road name is adopted it will be entered into Council's systems for future use.
