### 1. Purpose

#### This Policy:

- Cover the hire of Council managed assets including public reserves, public halls, sports fields, waterways, and any other facility which Council manages (excluding the Shoalhaven Entertainment Centre)
- Defines the framework for assessment of applications and calculation of subsidies, waivers or any other form of fee relief or support
- Satisfies Clause 610E of the Local Government Act by determining categories under which Council may waive or subsidise fees.
- Applies to the hire of Council managed assets (exclusions are noted in item 2)
- Ensures that subsidies provided under this Policy are equitable, transparent and effective, reducing the risk of corrupt conduct
- Ensures that subsidies comply with all known legislation, guidelines and regulations
- Defines Council's criteria for the approval under delegation of any reduction in adopted fees, clearly identifying responsibility and accountability levels
- Encourages optimal use of community facilities and assets by local community organisations and recreation groups
- Recognises the social value and benefits of services and activities organised and provided by community-based groups and supports these groups by community-based pricing
- Ensures that Council obtains contributions from user groups towards the costs of providing facilities, services and assets
- Documents the reporting requirements for subsidies given to each community group

#### 2. Statement

Shoalhaven City Council owns and manages facilities throughout the Shoalhaven, providing for a range of social, political and economic service provision. Council recoups a small percentage of these costs through service provision and hire Fees and Charges, with the intention that the users of facilities contribute in an equitable and transparent manner.

Council's Fees and Charges Policy determines the fees and charges for the hire of Council's facilities. Fees and charges are calculated annually and exhibited for 28 days in line with the Local Government Act 1993, normally during the months of April and May each year. Under the Local Government Act, any further changes to Fees and Charges throughout the year are required to be adopted by Council and placed on public exhibition for a required period.

This Policy defines the framework by which Council may provide fee waivers, subsidies or support beyond the Fees and Charges Policy without the requirement for public exhibition. Subsidies are calculated using the Fee Subsidy Calculator, which documents and considers a range of socio-economic variables and determines a percentage discount for a hire event.

Fee support is subject to budgetary constraints which will be reviewed by the Council's Asset Custodian for facilities and/or services.

The Policy applies to all applications for fee support for Council managed community facilities for either casual or regular hire, including:

- Public parks and reserves directly managed by Council
- Public facilities and buildings directly managed by Council
- Council's Section 355 Management Committee community facilities

Excepting Clause 3.5, this Policy does not apply to:

- Water or Sewer Funds, which are separately covered under the Community Service
   Obligation Policy consistent with the NSW Government Water Supply, Sewerage and
   Trade Waste Pricing Guidelines adopted by Council
- Shoalhaven Entertainment Centre, which has its own hiring policy given the different arrangements in place but will reference this policy when waivers are being evaluated.
- Ranger or Shoalhaven Animal Shelter waiving of fees as determined under the Fee Waivers – Ranger Services Unit
- Development applications and other fees that are determined under the Fees –
   Waiving of Development Application and Other Fees for Charitable Organisations and Community Groups
- Most lease arrangements as determined by Property under Occupation of Council Owned or Managed Land, where commercial arrangements are optimised

#### 3. Provisions

#### 3.1. Fee Support – Other Funding Bodies and Government Agencies

Council provides facilities at highly subsidised rates of partial cost recovery.

It is required that before any subsidy or waiver is considered an approach is made by the hirer to State or Federal Government agencies or other funding bodies to seek support. Grant funding bodies such as Sports Australia, Department of Regional NSW, Office of Sport and Destination NSW frequently offer funding opportunities to event organisers.

#### 3.2. Eligibility

Levels of subsidy may be applicable under this Policy, based on the following conditions:

- Benefits accrue to a wider group than direct users
- Services are provided specifically to groups who do not have the capacity to pay
- Council has a long-term policy objective of encouraging or supporting an activity or a specific group of people
- The proposed use of the facility or asset is consistent with the main purpose of the organisation and the event is open to the public
- The proposed use is for a non-commercial community-based event, which may be for community development, education and/or awareness activities

To be eligible for a subsidy, organisations are required to provide the following information:

- Evidence of registration as a Charity or Incorporated Not For Profit organisation, registered within the Shoalhaven Local Government Area
- Evidence of what is being done to provide community betterment if a non-incorporated body or individual
- Financial statements of the organisation, i.e. bank statements and financial reports (Bank Statement, Profit and Loss and Balance Sheet, as a minimum)
- Details of any previous subsidies provided or alternate funding from other sources

Fee Subsidies are calculated in accordance with the Fee Calculator (Attachment 1), taking into consideration the degree of eligibility criteria as above.

Applications must be submitted by Application Form (Attachment 2), a minimum of three months prior to the date of the booking.

No retrospective requests will be considered.

#### 3.3. Public Programs

From time to time, Council will introduce Public Programs which need to be individually costed with any subsidies determined being applied to the individual programs and reported to Council.

#### 3.4. Applications

Applications will be assessed by the Asset Custodian, or Council Department overseeing the service in accordance with the Fee Waivers and Subsidies Policy and Procedure (PRD21/91).

#### 3.5. Promotional and Marketing Activities

From time-to-time certain businesses within Council will offer initiatives or promotional ticketing to market an event or facility. These offers may include:

- Reduced pricing offers or vouchers for accommodation in Holiday Haven
- Tickets to events at the Entertainment Centre
- Reduced pricing to events at aquatic centres

These offers will be documented and captured in Council's annual Report.

#### 3.6. Ineligible Waivers

Fees cannot be waived under the following conditions:

- Management Committees do not have authority to waive/subsidise fees. Applications
  will be assessed under this Policy by Council's Asset Custodian. Alternatively,
  application could be made for a donation under Council's Donations Policy
- Where other Council assistance is provided for the event or to the organisation in the same Financial Year
- For meetings of an organisation that are closed to the community
- For marketing, advertising or promotion of a commercial entity
- Where fees are for Bonds, additional garbage or waste services or the cost of cleaning associated with the event /activity and use of the facilities (i.e. hard costs such as labour, electricity, etc.)

Note: Bonds are held to reimburse Council for damage or cleaning costs and may be partially or fully waived based on past dealings with the hirer or the type of activity to be undertaken, in accordance with this procedure or at the discretion of the Asset Custodian. If the extent of damage or cleaning exceeds the bond, then Council may seek compensation for all associated costs.

#### 3.7. Delegations and Authorities

| Waiver / subsidy amount                         | Approver |
|---|----------|
| All subsidies up to \$4,000                     | Director |
| Any subsidies over \$4,000                      | Council  |
| Waiver or subsidy to an individual – any amount | Council  |

In accordance with Section 377 of the Local Government Act 1993, the Chief Executive Officer may authorise payment of a Subsidy or Waiver adopted by Council, other than where it is a decision under Section 356(2) to contribute money or otherwise grant financial assistance to an individual. Financial assistance or payment to an individual must be authorised by Council resolution and following a 28-day public exhibition period, if applicable.
